As yesterday's exceptional amenity becomes today's standard feature, hotels constantly have to up the ante to distinguish themselves as luxury leaders. The wildly diverse properties on our seventh annual list of top hotel suites push the boundaries to an all-new level of opulence and

style. You'll be covered if your must-haves include a South African safari serving four-star meals with vintage champagne, a palatial terrace with iconic views in the center of Paris or a mansion-sized villa on a private sliver of Seychelles coastline—all with the design finesse and second-to-none service that you require. We hope your travels take you to many of these extraordinary suites: **THE BEST IN THE WORLD.**
