# WELCOME TO PARADISE

The islands of the Caribbean are legendary honeymoon destinations and – with the help of The Turquoise Holiday Company – you'll be able to find your very own paradise...

**If you want to catch a glimpse of paradise**, set your sights on the Caribbean: just a short hop across the Atlantic, it is a completely different kind of world where beaches are covered in pristine white sand and framed by sparkling, azure seas, and where you will find plenty of luxurious five-star hotels perfect for honeymooners.

## The island for you

There is something unique about every single one of the 7,000-odd islands in this vast archipelago – from the low-lying Barbados via the mountainous terrains of Jamaica to the volcanic peaks of St Lucia, this region is as diverse as it is stunning, and its natural beauty is complemented by the legendary Caribbean-style hospitality that

makes it such a sought-after holiday destination. Spend a day discovering its underwater beauty, feast your eyes on the colourful flora, sample local delicacies and treat your mind to the laid-back sense of calm that envelopes these islands, then head back to your hotel for gourmet dinners and delicious rum cocktails at sunset. With some of world's finest hotels located on these islands, it's no surprise that the Caribbean has long been a favourite destination for the discerning A-List crowd.

The Turquoise Holiday Company's expert consultants will help you find your perfect Caribbean paradise. Still can't decide? Why not island hop around the Caribbean Sea? Wherever you choose, we promise you won't ever want to leave...

Honeymoon like a rock star at the exquisite Eden Rock

## Eden Rock St Barths

One of the world's most legendary hotels, Eden Rock is the place to stay on the sophisticated, chic and French-infused island of St Barths. This exquisite resort goes far beyond a regular hotel, located on one of the hottest beaches, minutes away from an array of hip bars, shops and restaurants, it is built around a magnificent rock, featuring unique pieces of art, and fabulous cuisine.

### Stylish privacy

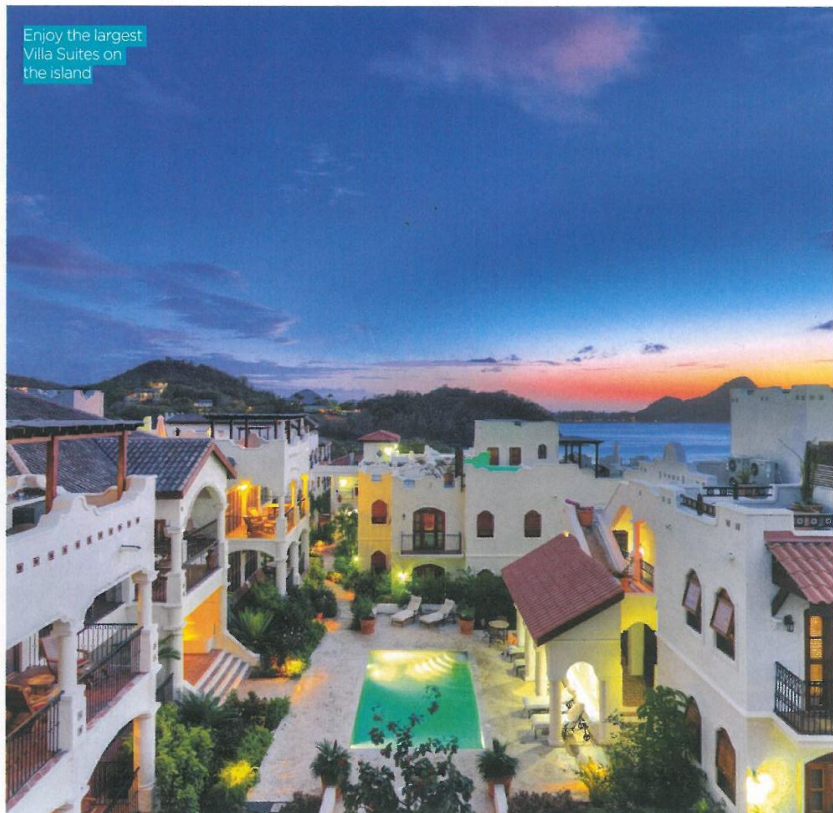

For a romantic escape we love the classic style of the Howard Hughes Loft Suite, balanced on top of the high rock with 360° degree spell-binding views of the reef, while the glamorous 1930s-decor of the Greta Garbo Suite offers enough privacy to suit even the most reclusive of couples.

## Cap Maison Saint Lucia

The island of Saint Lucia is made for **romance**: its glittering sea framed by a lush tropic forest and the majestic Pitons peaks. Perching on a cliff on the island's northern shore, the Spanish Caribbean-inspired Cap Maison's 49 rooms, suites and villa suites have enough mod-cons to ensure that you will never need to leave its comforts – unless you really want to.

### Sail into the sunset

Splurge out on an Ocean Villa Suite and your private verandah will come with either a Jacuzzi or rooftop private pool as well as stunning views over the hotel's private Smugglers' Cove beach where you can soak up the sun during the day before being whisked off into the sunset on the hotel's own 46-foot yacht, returning in time for breakfast the next day. Back on dry land, the blissful Cliff at Cap restaurant serves gourmet French-Caribbean fare with fine wines and gorgeous views towards Martinique.
